

## **ANNUAL QUALITY ASSURANCE REPORT (AQAR) OF THE IQAC**

Name of the Institution : **M.V.Muthiah Government Arts College (W),  
Dindigul**

Year of Report : **June 2011 - April 2012**

### **Section - A**

**Plan of action chalked out by the IQAC in the beginning of the year towards quality enhancement.**

1. The IQAC chalked out the following action plan for the academic year 2011 – 2012.
2. Association meetings and programs to be organised by each department on quality related themes and which will be informative to the students.
3. The quality of the teachers is the key aspect of education; because teachers are the assets to the Higher Education Department. IQAC plays a vital role in motivating young teachers towards quality teaching and research.
4. The internet plays an important role in Higher Education. Students must be motivated to use the internet to get information while preparing for their Seminars, Assignments and Projects.
5. Every Department is to be provided with a computer to store information regarding the Student Particulars, Staff Profile, Association Meetings and important activities.
6. To introduce new PG Course in the Department of Computer Science and in Mathematics.

### **Programme for Faculty Improvement**

- ❖ Encouraging the faculty members to publish books and research articles in reputed journals.

- ❖ Encourage faculty members to attend Conferences, Seminars and Workshops.
- ❖ Encourage the faculty members to get grants from UGC, DST, DBT and CSIR to carry out major and minor projects.
- ❖ Motivate the faculty members to apply for awards.
- ❖ Encourage the staff to organise National Seminars / Conferences for the dissemination of knowledge.

### **Programme for Student's Welfare**

1. To conduct review meeting after the publication of results in Semester Examination to assess the quality of teaching and learning.
2. To give special coaching for slow learners.
3. To promote ICT teaching learning process.
4. To encourage the students to participate in all the competitions conducted in the college and in other institutions.
5. To motivate the students to participate in seminars conducted in the college and in other colleges.
6. To encourage every department to take up an educational tour for the paper Environmental Studies.

### **Section - B**

#### **Activities reflecting the goals and objectives of the institution.**

1. The vision of our college is to spread the light of knowledge and to widen the scope and opportunity of Higher Education to women belonging to educationally and economically backward sections of society, especially from rural areas.
2. The mission is to impart liberal education committed to quality and excellence. Its quest is to mould learners into responsible citizens

instilling in them leadership qualities, personal integrity and life oriented skills. Its aim is to enrich the students with efficiency and excellence.

## **Goals**

1. To improve the status of the women students from the poor, rural and semi urban areas.
2. To equip them with skills for personal success.
3. To empower them.
4. To sensitise them towards the needs of the marginalised and deprived communities.
5. To develop leadership qualities. The mission and goals of the college are realized through the meaningful, productive and socially relevant curricula, formulated by the Mother Teresa Women's University, Kodaikanal.
6. Our college gives quality education with low fee structure, vernacular medium of teaching in certain disciplines and English medium in all disciplines. Day scholars avail free bus pass. For students from different places, low cost hostel facility is there within the college campus and our students also stay in Government free hostels near our institution.
7. A considerable percentage of students belong to Scheduled Caste and Scheduled Tribes. The members of the teaching faculties try their best to get them qualified which will pave way for their upliftment in society.
8. Value education is imparted to the students through Mentor - Ward System.
9. To instill courage and confidence in the minds of the students in order to meet the challenges ahead.

### **1. New Academic Programmes initiated**

- a. M.Sc Computer Science
- b. M.Sc Mathematics

### **2. Innovations in Curricular Design and Transactions**

Mother Teresa Women's University introduced the choice based credit system, from the academic year 2008 - 09 as per the recommendations of the Tamilnadu State Council for Higher Education. Faculty members in the Mother Teresa University and the members in the Board of Studies gave their valuable suggestions in designing the curriculum and framing the syllabus. Skill based electives and non - major electives are included in the present syllabus. This facilitate and promote horizontal development. For example, a student of B.A. English Literature studies sericulture offered by the Department of Zoology and Banking Theory, Law and Practice offered by the Department of Commerce, Students from B.Sc Mathematics study English Communication Skills offered by the Department of English.

### **3. Inter disciplinary programme started**

Value Education and Environmental studies are given as interdisciplinary subjects.

#### **4. Examination reforms implemented**

In the choice based credit system, students performance is evaluated at the college level by giving periodical class tests and 3 internal tests. According to the university norms, 25 marks are allotted for the internal assessment and 75 marks for the university examinations. For each theory paper 15 marks are given for the test and 5 marks for assignment and another 5 marks for seminar in the internal assessment. Out of the three internal tests, the best two are considered for the internal assessment.

- Internal tests are conducted to make the students study their lessons regularly and systematically; this will help them get better marks both in the test and in the university exams.
- The university conducts examination at the end of each semester.
- Practical examinations are conducted for science students by the end of each semester.
- For the Environmental Studies, the students are taken to suitable places on a field trip and they make a detailed study and they are asked to submit a project report, based on their study; marks are allotted for their project work.
- The PG students undertake individual project work. They are evaluated by the external examiners by conducting Viva Voce.
- Visually challenged students are given the assistance of the scribes to write their internal and external examination.
