

ASSOCIATION MEETING

DATE: 26.02.2009

CHIEF GUEST: Dr.Mrs. Sathiya Bama M.Sc., Ph.D.
Senior Lecturer in Chemistry
Department of Chemistry
G.T.N. Arts College, Dindigul.

TOPIC: UG –CORROSION STRUCTURES

On 26.2.2009, our Chemistry department organised an Association Meeting. The Chief Guest Dr.Sathiyabama M.Sc., Ph.D., SG Lecturer, Department of Chemistry, GTN Arts College, Dindigul gave a lecture on ‘Corrosion Structures’. She explained interesting facts about corrosion and their effects. She described the causes, consequences and control methods of corrosion. She also explained the action of corrosion inhibitors in reducing the corrosion with demonstration. She listed out some on-going researches on this topic. From this lecture, students got ideas about corrosion control and its preventive methods.
