

## ASSOCIATION MEETING

**DATE:** 11.08.2010

**CHIEF GUEST:** Dr.S.Murugesan  
Chief Chemist  
Research and Development Department  
Gandhigram Rural University, Gandhigram, Dindigul.

**TOPIC:** UG – EVERYDAY CHEMISTRY

Our Chemistry department conducted an Association Meeting on 11.8.2010. An interesting speech cum practical session about Everyday Chemistry was given by Dr.S.Murugesan, Chief Chemist, R & D Department, GRI, Dindigul. The topic had created awareness on importance of chemistry in day to day life. A brief demonstration on basic raw materials used for preparing the products like Agarbathi, Sambirani, toothpowder, toothpaste, candle, furniture polish, Disinfectant solution, Perfume Solid Sachet etc. were given and their mode of preparation was also discussed. This session was very useful for our students and staff members. This meeting motivated our students to become self-entrepreneurs.
