

ASSOCIATION MEETING

DATE: 22.01.2013

CHIEF GUEST: Dr. A. Ponnusamy M.Sc., Ph.D.

Professor in Organic Chemistry

Department of Organic Chemistry

Madurai Kamaraj University, Madurai.

TOPIC: UG and PG – RECENT TRENDS IN CHEMISTRY

An Association Meeting was conducted by our department on 22.01.2013. The topic was “RECENT TRENDS IN CHEMISTRY”. Our Chief Guest Dr.A.Ponnusamy, Professor of Organic Chemistry, Madurai Kamaraj Uuniversity gave a very inspiring talk on Green chemistry. He explained various methods to reduce hazardous chemicals to make a greener environment.He gave an extempore talk on spectral techniques and shared his knowledge about various websites used to interpret spectral techniques. This made our students to get into chemistry even more.
