

## ASSOCIATION MEETING

**DATE:** 29.01.2014

**CHIEF GUEST:** Dr.S.Meenakshi,  
Professor in Chemistry  
Department of Chemistry  
Gandhigram Rural University, Gandhigram, Dindigul.

**TOPIC:** UG and PG – WOMEN IN SCIENCE

An excellent motivation about “Women in Science” was given by the chief guest Dr.S.Meenakshi, Professor, Department of Chemistry, GRI, Dindigul for our students. This century is for women. Her speech covered the role of women in science, women noble laureates and those women who were back bone for many male noble laureates. There was an exposure on various funding organizations for women researchers, women scholarship, higher studies and research. A clear note was given on water pollution and various steps taken by GRI to eradicate water pollution. The topic kindled our students to step into research and to make achievements in future.
