PG – RETICULAR CHEMISTRY IN ALL DIMENSIONS

An innovative lecture was given by our chief guest Mrs. D. Renuga, Assistant Professor, Sri Meenakshi Government Arts College for Women (A), Madurai, about the merits and demerits of the 'Nanotechnology'. It was very useful for our students. Her excellent speech about the 'Reticular Chemistry in all Dimensions' was helpful for our students. These sessions gave basic ideas regarding the topics and their real life aspects. Students got great attention towards her inspirational lecture. Both the sessions were innovative and informative.
