FINE ARTS DAY FUNCTION

Date: 26.02.2013

Chief Guest: Dr. K. Revathi Subbulakshmi

Associate Professor of Tamil

Fatima College, Madurai.

Our Chemistry department organised our College Fine Arts Day function during the academic year 2012-2013. Students from various departments of our College participated in all events and exhibited their talents. The events were split up into two sessions as Off Stage events and On Stage Events having 16 varieties of competitions. Off Stage events were conducted on September 3rd and 4th and On Stage events were conducted on September 6th and 7th. We invited a special guest Dr. Revathi subbulakshmi, Associate Professor of Tamil, Fatima College. She gave an excellent speech about our culture and motivated our students to be a participant and gave prizes to winners of various Fine Arts competitions.
