PG Department of Chemistry & Internal Quality Assurance Cell, M.V.Muthiah Government Arts College for Women, Dindigul organised a one day Webinar on “A Glimpse on Handmade Home Products” on 10.05.2021 through online mode Using Google Meet Live stream.

Dr.M.Dhanalakshmi, Head, Department of Chemistry welcomed the online gatherers and introduced the Chief Guest. The Patron, Dr.V.Anuradha, Principal of the College delivered the Presidential address. The Resource person, Dr.S.Devimeenakshi, Associate Professor and Head, Department of Chemistry and Physics, Nadar Saraswathi College of Arts and Science, Theni

highlighted the different methods of dyeing techniques with Power point presentation and video clippings. She also explained clearly the step-by-step preparation of handmade home products like Candle, Soap oil, Phenyl, Computer sambrani and Agarbatti from the available raw materials. Also, she elaborated the cost and composition of adding the raw materials & the profit of final product and made the session so lively. Dr.P.Gnanasoundari, Assistant Professor of Chemistry proposed Vote of Thanks.

This Webinar was exclusively arranged for the students of all disciplines of our college to enhance self-employability and entrepreneurial skills.

The aim of the webinar is to motivate the students to become an entrepreneur and small-scale industrialists.

The objectives of conducting this one-day Webinar are:

- To create awareness on self-employability and entrepreneurial skills.
- To educate individuals about the preparation of handmade home products from the required raw materials on their own and to motivate them to earn more profit from less investment.
- To strengthen the financial status.
- To develop self-confidence.

154 students from all disciplines of our college had participated in this one-day Webinar and got benefited.

The Google Feedback Forms were collected from student participants and E-Certificates were issued for the registered participants through online mode.
