DEPARTMENT OF CHEMISTRY

WORK SHOP REPORT - 2024-2025

Department of Chemistry has organized one day workshop on **Household Cleaning Products & Testing of Food Adulterants** on 13.02.2025. Dr.K.Naganandhini, Principal (FAC) of our College has inaugurated the workshop and addressed the students. **105** students of the Department of Chemistry, **25** students from other departments participated in the workshop. The students have been trained on testing of food adulterants and preparation of household products like white phenyl, dish wash gel, Cleaning powder, liquid soap and washing powder. The list of chemicals for the preparation, the cost of the chemicals and the method of preparation were given clearly to the participants. The participants were given awareness about the net benefit. The workshop paved way for developing entrepreneurship skills.
