ABOUT THE CONFERENCE

ICCT-2024 is a non-profit conference and the objective is to provide a platform for academicians, researchers, scholars and students from various institutions, universities and industries in India and abroad, to exchange their research and innovative ideas in the field of Cloud, Communication and Internet of Things. We invite all students, research scholars, academicians, engineers, scientist and industrialist working in the field of Intelligent Computing, Communications and Techniques from all over the world. We warmly welcome all the authors to submit their original research in upcoming conference ICCT-2024 to share their knowledge and experience among each other in collaboration with M. V. Muthiah Government Arts College for Women and ICT Academy, Chennai.

DATE AND VENUE

September 27, 2024 at M. V. Muthiah Government Arts College for Women, Dindigul, through hybrid mode (Google Meet)

CALL FOR PAPERS

ICCT-2024 invites survey, technical reports and research papers from researchers / academicians / students / industrialists on submission for addressing theoretical and practical topics in the field of Intelligent Computing and Communication Technologies with the following disciplines [but not limited to]: Abstract and Camera Ready paper send to : icct24@mvmwgacdgl.ac.in

Science and Technology : Computer Networks, Machine Learning, Agriculture, Life Science, Data Science, Cryptography and Security, Web Mining, Artificial Intelligence, Signal Processing, Image Processing, Data Mining, Robotics, Medical Image Analyzer, Graph Theory, Bio Informatics, Data Analytics, Set Theory, Natural Languages, Web Content Mining, Text Mining, Simulation Technique, Big Data Analytics, Algorithm and Analysis, Intelligent Communication Technologies, Intelligent Computing, Blockchain Computing, Internet of Things, Edge Computing, Monitoring Systems, Environmental Studies, Fog Computing.

AWARDS

The Best paper award for each session will be adjudged by panel of experts. The award includes Memento and a Certificate

CONFERENCE PROCEEDING AND JOURNAL PUBLICATIONS

Proceedings of the conference will be released with ISBN and supports UGC CARE List ICT Academy journal publications after editorial considerations.

Publication in ICTACT Journals – International Publications of ICT Academy: The best papers selected in the Conference by the Conference Judges/Reviewers will be recommended for possible publication in the respective scopes of ICTACT Journals. These papers would be selected for publication after the peer review process by ICT Academy. ICT Academy currently publishes five International Journals – ICTACT Journal on Communication Technology, ICTACT Journal on Soft Computing, ICTACT Journal on Image & Video Processing, ICTACT Journal on Microelectronics and ICTACT Journal on Management Studies. ICCT-2024

ICCT-2024 is a non-profit conference and the objective is to provide a platform for academicians, researchers, scholars and students from various institutions, universities and industries in India and abroad, to exchange their research and innovative ideas in the field of Cloud, Communication and Internet of Things. We invite all students, research scholars, academicians, engineers, scientist and industrialist working in the field of Intelligent Computing, Communications and Techniques from all over the world. We warmly welcome all the authors to submit their original research in upcoming conference ICCT-2024 to share their knowledge and experience among each other in collaboration with M.V.Muthiah Government Arts College for Women and ICT Academy,

M V Muthiah Govt. Arts College (W)

The College which was started in 1966, is a multi-disciplinary institution offering diverse courses. Tamil and English as medium of instruction, various Arts and Science degree Courses are offered by this college. The college has thirteen under graduate courses, eleven post graduate courses and 6 M.Phil. The departments of Tamil, English, Computer Science and Geography, Mathematics have emerged as research departments. The college has 63 permanent staff members including the Principal and 75 Guest lecturers in both I & II shifts. The college provides higher education to 2690 students in the current academic year. The college has a well equipped library. 26254 books are available in the general library and the individual departments have 21823 books in their libraries for the maximum utility of students. The Principal and staff members take the institution in the path of excellence successfully. Thousands of rural and downtrodden students enjoy the facilities provided by the college to a fuller extent.

ICT Academy

ICT Academy is an initiative of the Government of India in collaboration with the state Governments and Industries. ICT Academy is a not-for-profit society, the first of its kind pioneer venture under the Public-Private-Partnership (PPP) model that endeavours to train the higher education teachers and students thereby exercises on developing the next generation teachers and industry ready students.

PG & Research Department of CS

The Department of Computer Science was established in the year 1988 with the objective of imparting quality education in the field of Computer Science and strives to shape outstanding computer professionals. The Department has modern facilities for teaching, learning and research. The Department offers a wide range of research opportunities and programs of study at undergraduate and postgraduate level. The training imparted aims to prepare young minds for the challenging opportunities in the IT industry with a global awareness supported by experts in the field of Computer Science. The Department started Diploma Course PGDCA in the year 1997 to impart basic Computer Education to rural women folks. To empower the knowledge of Computer Science Graduated Students, M.Sc. Computer Science programme was started in the year 2011 with the aim to develop core competence in Computer Science and prepare the students to carry out development work, as well as take up challenges in research. Besides these, as an added feather, the Department has evolved as Research Department by offering Master of Philosophy (M.Phil.) and Doctor of Philosophy (Ph.D.) in Computer Science with the aim of producing quality researchers and high-impact interdisciplinary research. The department has a strong commitment to excellence in undergraduate and postgraduate and research education. Ours is the vibrant department and has over 250 students and 14 dedicated staff members. Our students, staff and alumni are central to our success With rapidly evolving technology and the continuous need for innovation, the Department has produced quality professionals holding important positions in the IT industry and other departments in India and abroad.

PROGRAMME SCHEDULE

27TH SEPTEMBER 2024 (Friday)

Time: 10:00 am – 5:00 pm

Registration: 9.30 am. – 10.30 am.	
Inaugural Function: 10.30 am. – 11.00 am.	
Invocation	
Prayer Song	CS Students
Welcome Address	Dr. I. Rajeshwari – Convenor Associate Professor & Head PG & Research Department of Computer Science M.V.Muthiah Government Arts College for Women Dindigul
Conference Theme	Dr. A. Subramani – Organizing Secretary Assistant Professor PG & Research Department of Computer Science M.V.Muthiah Government Arts College for Women Dindigul
Releasing the E-Proceeding Presidential Address	Dr. K. Naganandhini – Patron Principal (i/c)
Releasing Souvenir	Dr. R. PushpaLakshmi Professor & Head Department of Computer Science and Engineering (Cyber Security) P.S.N.A. College of Engineering and Technology Dindigul.
Chief Guest Introduction	Dr. S. Krishnaveni Associate Professor PG & Research Department of Computer Science M.V.Muthiah Government Arts College for Women Dindigul
Inaugural Address	Dr. R. PushpaLakshmi Professor & Head Department of Computer Science and Engineering (Cyber Security) P.S.N.A. College of Engineering and Technology Dindigul.

Chief Guest Introduction	Mrs. J. Sukanya Assistant Professor PG & Research Department of Computer Science M.V.Muthiah Government Arts College for Women Dindigul
Felicitation	Mr. S. Muralirajan Senior Relationship Manager ICT Academy Tirunelveli
Chief Guest Introduction	Dr. B. Ashadevi Assistant Professor PG & Research Department of Computer Science M.V.Muthiah Government Arts College for Women Dindigul
Felicitation	Dr. C.P. Thamil Selvi Associate Professor Department of Artificial Intelligence & Data Science Rathinam Technical Campus Coimbatore
Vote of Thanks	Dr. S. Rajathi Assistant Professor PG & Research Department of Computer Science M.V.Muthiah Government Arts College for Women Dindigul
Tea Break	11.00 am to 11.15 am.
Invite Talk Session - I	11.15 am to 12.00 Noon
Google Meet Link	https://meet.google.com/thn-snjt-wsr
Guest Speaker Introduction	Dr. A. Shanthasheela Assistant Professor PG & Research Department of Computer Science M.V.Muthiah Government Arts College for Women Dindigul
Keynote Address	Dr. Asadi Srinivasulu Visiting Professor (crcCARE) Cooperative Research Centre for Contamination Assessment and Remediation Of the Engineering, Science and Environment, The University of Newcastle, Australia.
Topic	Data Science and Emerging Technologies
Vote of Thanks	Dr. A. Athisakthi , Faculty PG & Research Department of Computer Science M.V.Muthiah Government Arts College for Women Dindigul
Parallel Technical Sessions	
Technical Session - I	12.00 Noon to 1.00 pm.
Theme of the Session	Intelligent Computing

Session Coordinator	Dr. B. Ashadevi Assistant Professor PG & Research Department of Computer Science M.V.Muthiah Government Arts College for Women Dindigul
Session Chair Introduction	Mrs. S. Meena, Faculty PG & Research Department of Computer Science M.V.Muthiah Government Arts College for Women Dindigul
Session Chair	Dr. C.P. Tamil Selvi Associate Professor Department of Artificial Intelligence & Data Science Rathinam Technical Campus Coimbatore
Technical Session - II	12.00 Noon to 1.00 pm.
Theme of the Session	Communication Technology
Session Coordinator	Mrs. J. Sukanya Assistant Professor PG & Research Department of Computer Science M.V.Muthiah Government Arts College for Women Dindigul
Session Chair Introduction	Mrs. P. Sangeetha, Faculty PG & Research Department of Computer Science M.V.Muthiah Government Arts College for Women Dindigul
Session Chair	Dr. R. PushpaLakshmi Professor & Head Department of Computer Science and Engineering (Cyber Security) P.S.N.A. College of Engineering and Technology Dindigul.
Lunch Break	1.00 pm to 2.00 pm
Invite Talk Session - II	2.00 pm to 3.00 pm
Google Meet Link	https://meet.google.com/wbg-kqft-wzg
Guest Speaker Introduction	Dr. S. Rajathi, Assistant Professor PG & Research Department of Computer Science M.V.Muthiah Government Arts College for Women Dindigul
Keynote Address	Dr. Rajasekaran Selvaraju Professor, Department of Information Technology College of Computing and Information Sciences, University of Technology and Applied Sciences, Ibri, Sultanate of Oman.
Topic	IoT Opportunities.

Vote of Thanks	Dr. S. Mohanambal, Faculty PG & Research Department of Computer Science M.V.Muthiah Government Arts College for Women Dindigul
Tea Break	3.00 pm to 3.15 pm
Parallel Technical Sessions	
Technical Session - III	3.15pm to 4.00 pm.
Theme of the Session	Emerging Technology
Session Coordinator	Mrs. P. Muthamil Selvi Assistant Professor PG & Research Department of Computer Science M.V.Muthiah Government Arts College for Women Dindigul
Session Chair Introduction	Mrs. D. Jeyanthi, Faculty PG & Research Department of Computer Science M.V.Muthiah Government Arts College for Women Dindigul
Session Chair	Dr. C.P. Thamilselvi Associate Professor Department of Artificial Intelligence & Data Science Rathinam Technical Campus Coimbatore
Technical Session - IV	3.15 pm to 4.00 pm.
Google Meet Link	https://meet.google.com/zdk-jrez-mab
Theme of the Session	Computing Communication (Online)
Session Coordinator	Dr. S. Krishnaveni Associate Professor PG & Research Department of Computer Science M.V.Muthiah Government Arts College for Women Dindigul
Session Chair Introduction	Mrs. A.P. Nagalakshmi, Faculty PG & Research Department of Computer Science M.V.Muthiah Government Arts College for Women Dindigul
Session Chair	Dr. A. Muthusamy Assistant Professor Department of Computer Technology Kongu Engineering College, Perundurai, Erode

Valedictory Function	
Time	4.15 pm to 4.45 pm
Feedback	Participants & Dr. C. P. Tamil Selvi, Session Chair
Best Paper Award	Declared by Dr. I. Rajeshwari, Convenor - ICCT'24
Certificate Distribution	Chief Guest and Convenor
Movement Capture	Group Photograph
Vote of Thanks	Ms. P. Muthamil Selvi, Coordinator PG & Research Department of Computer Science M.V.Muthiah Government Arts College for Women Dindigul
National Anthem	CS Students and Participants

We cordially invite you to the inauguration of

International Conference on

"INTELLIGENT COMPUTING & COMMUNICATION TECHNOLOGY"

ICCT - 2024

27th September 2024, Friday,

Venue : KAMARAJ ARANGAM

Time: 10.30 a.m.

Dr. I. RAJESHWARI, M.Sc., M. Phil., M.B.A, Ph.D.,

Head of the Department,

ICCT'24-Convener, PG & Research Dept. of Computer Science

deliver the Welcome address

Dr. A. SUBRAMANI, M.C.A, M. Phil., M.B.A, Ph.D.,

Organizing Secretary, PG & Research Dept. of Computer Science

deliver the Conference Theme

Dr. (Mrs.) K. NAGANANDHINI, M.A., M. Phil., Ph.D.,

Principal (I/C), M.V. Muthiah Govt. Arts College for Women

deliver the Presidential address

Dr. R. PUSHPALAKSHMI, M.E., Ph.D.,

Professor & Head,

Department of CSE (Cyber Security)

P.S.N.A College of Engineering and Technology, Dindigul

has kindly consented to offer the Inaugural Address

Mr. S. MURALIRAJAN,

Senior Relationship Manager, ICT Academy, Chennai

Dr. C.P. THAMIL SELVI

Associate Professor, Department of Artificial Intelligent & Data Science

Rathinam Technical Campus, Coimbatore

felicitate over the function

Dr. S. RAJATHI, M.C.A., M.Phil., Ph.D.,

Assistant Professor, Department of Computer Science

deliver the vote of thanks

ICCT'24 CONFERENCE THEME

First of all I thank Principal Madam of this college, Convener of this conference and my colleague, to bring this conference as a great success. And also thank to given me to this nice opportunity to present the conference theme

Ladies and gentlemen, distinguished chief guests, esteemed speakers, and delegates, Good Morning to one and all present here. I am honored to welcome you to today's conference, where we convene to explore the transformative power of Intelligent Computing and Communication Technology - ICCT-2024 jointly organized by PG and Research Department of Computer Science and ICT Academy, Chennai. This conference initiated with an objective to provide a platform for academicians, researchers, scholars and students from various institutions, universities and industries in India and abroad, to exchange their research and innovative ideas in the field of Computing and Communication.

The International Conference on Intelligent Computing and Communication Technology -ICCT-2024 will provide you with an excellent opportunity to present your latest research issues in various discipline of Science and Technology. It will provide invaluable opportunity for academia, scientists, and industry professionals to interact with each other and disseminate the ideas.

The Era of Intelligent Computing

We are living in an era where technology is redefining the fabric of our society. Intelligent computing and communication technology have become the cornerstones of innovation, driving:

- Artificial Intelligence and Machine Learning
- Internet of Things and Edge Computing
- 5G and Next-Generation Communication Networks
- Cyber security and Data Privacy

Shaping the Future

Today's conference will delve into the latest advancements and applications of intelligent computing and communication technology, focusing on:

- **Smart Systems:** Intelligent transportation, healthcare, and urban planning
- **Secure Communications:** Cyber security, data privacy, and encryption
- **AI-Driven Innovation:** Machine learning, natural language processing, and computer vision

Keynote Highlights

Our esteemed keynote speakers Dr Asadi Srinivasulu, Professor at crcCARE, the University of Newcastle, Australia. and Dr. Rajasekaran Selvaraj , Professor, University of Technology and Applied Sciences, Ibri, Sultanate of Oman will share insights on:

- The future of intelligent computing and communication technology**
- Emerging trends and challenges**
- Successful case studies and applications**

The response of this international conference is tremendous and .we have received more than 100 research papers in national and international level. All selected papers will publish in the form of conference proceedings as soft copy and also hard copy with ISBN Number. After peer reviewed the selected papers, it will be published in Scopus and UGC Care List series in ICT Academy Journals in Intelligent computing related Journals. The best paper selected by the panel will be awarded at the end of the Conference. This conference provides a platform that will benefit the research community in large.

Call to Action

As we gather today, I urge you to:

- Engage in meaningful dialogue and knowledge sharing**
- Collaborate to address complex challenges**
- Harness the potential of intelligent computing and communication technology to create a better future**

All participants make use of this platform to enhance your reasearch perspective in various domains and also exposed your knowledge through technical sessions handled by international and national experts in Data science and opportunities in Iot.

Let us revolutionize the future together!

Thank you All

INTERNATIONAL CONFERENCE ON INTELLIGENT COMPUTING AND COMMUNICATION TECHNOLOGY (ICCT'24)
JOINTLY ORGANIZED BY
PG AND RESEARCH DEPARTMENT OF COMPUTER SCIENCE & ICT ACADEMY, CHENNAI

CONFERENCE SUMMARY REPORT

DATE: 27.09.2024(FRIDAY)

VENUE: KAMARAJ ARANGAM

CONFERENCE SCOPE

International Conference on Intelligent Computing and Communication Technology - ICCT-2024 jointly organized by PG and Research Department of Computer Science and ICT Academy, Chennai. This conference initiated with an objective to provide a platform for academicians, researchers, scholars and students from various institutions, universities and industries in India and abroad, to exchange their research and innovative ideas in the field of Cloud, Communication and Internet of Things.

The International Conference on Intelligent Computing and Communication Technology -ICCT-2024 will provide you with an excellent opportunity to present your latest research issues in various discipline of Science and Technology. It will provide invaluable opportunity for academia, scientists, and industry professionals to interact with each other and disseminate the ideas. This platform provides the authors to share their original research work and also to give an exposure to the emerging technologies in Data science.

The International conference on Intelligent Computing and Communication Technology is essential for advancing knowledge, fostering innovation, and shaping the future of these critical fields.

The theme of ICCT-2024 conference series focuses on domain of intelligent computing theories and applications to various disciplines like Data science and soft computing, Image analysis and processing, Modern information theory and technology, Robot and intelligent system , Life Science, Environmental ethics, some other day to day topics etc.

WELCOMING AND INVOCATION

International Conference on Intelligent Computing and Communication Technology - ICCT-2024 started with Prayer Song followed by the lighting of kuthuvizakhu by the dignitaries on stage. **Dr. I. Rajeshwari**, Associate Professor and Head, PG and Research Department of Computer Science welcomed the gathering. The ICCT'24 organizing secretary, **Dr.A.Subramani**, Assistant Professor, PG and Research Department of Computer Science highlighted the conference theme.

The electronic proceeding (**e-proceeding**) in CD Format, e-souvenir and printed conference proceeding with **ISBN** number 978-93-341-2851-2 of the International Conference on Intelligent Computing and Communication Technology - ICCT-2024 was released by our dynamic **Principal (i/c), Dr.(Mrs.) K. Naganandhini** and accepted by our dignitaries on dais.

Dr. (Mrs.) K .Naganandhini, Principa(i/c),M.V.Muthiah Government Arts College for Women, delivered the Presidential Address. **Dr. R. PushpaLakshmi**, Professor & Head, Department of Computer Science and Engineering (Cyber Security), P.S.N.A. College of Engineering and Technology, Dindigul gave an insightful and thought-provoking inaugural address on research areas.

Mr. S. Muralirajan, Senior Relationship Manager,, ICT Academy, Chennai gave the felicitation by emphasizing the role of industry collaborations and keeping pace with technological advancements in all domains.**Dr. C. P. Tamil Selvi**, Associate Professor ,Department of Artificial Intelligence & Data Science, Rathinam Technical Campus, Coimbatore gave the felicitation highlighting the importance of artificial intelligence and data science.

Dr.S.Rajathi, Assistant Professor, PG and Research Department of Computer Science delivered the concluding remarks of the invocation session of ICCT'24.

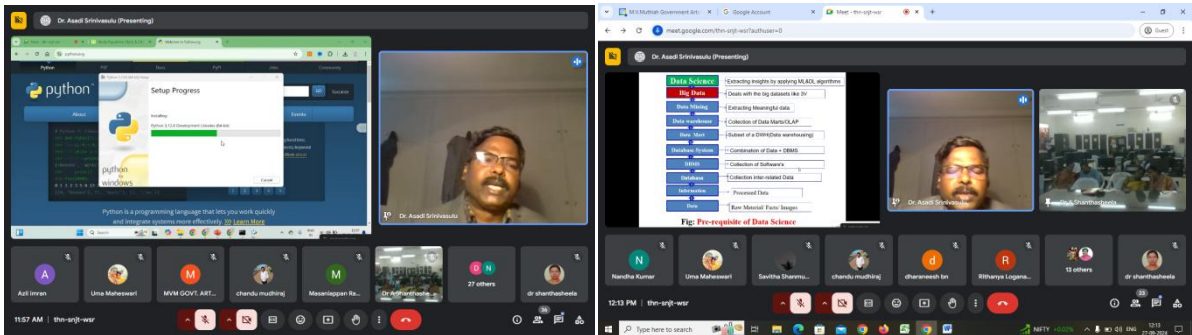

VIRTUAL KEYNOTE SESSIONS

SESSION-I

Topic : Data Science and emerging Technologies

Speaker : Dr. Asadi Srinivasulu, Visiting Professor (crcCARE) Cooperative Research Centre for Contamination Assessment and Remediation of the Engineering, Science and Environment, The University of Newcastle, Australia.

Abstract : The keynote speech is devoted to the stated problem from the point of view of practical experience and research in Data Science & emerging technologies. A theoretical insight to the application of the data science through python coding was being discussed. Data science aims at collecting, processing, analyzing, and presenting this data in a visual format to help companies or organizations in making crucial business decisions. The following topics have been covered: The python installation, natural language processing through python code, API used for applications were discussed in detail along with appropriate demonstration. He also emphasized the importance of YouTube created for nearly 250 topics that are available for students benefits. Video call link: <https://meet.google.com/thn-snjt-wsr>

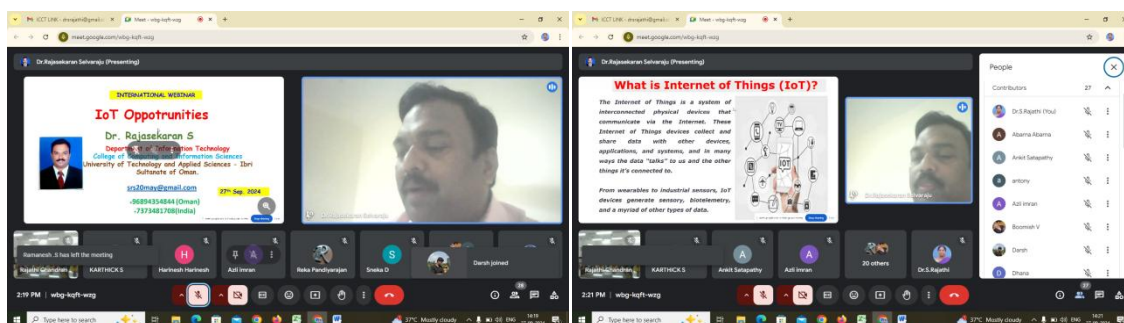

SESSION-II

Topic : lot Opportunities

Speaker : Dr. Rajasekaran Selvaraju Professor, Department of Information Technology College of Computing and Information Sciences, University of Technology and Applied Sciences, Ibri, Sultanate of Oman.

Abstract : Internet of Things (IoT) is a widely used in application in the field of agriculture and various domains.. Various algorithms applied on the real time dataset were discussed. The IoT devices and its importance were clearly demonstrated. Organizations are becoming digitalized by incorporating ICT technologies such as cloud, edge computing, IoT, and big data, the risk of cyber-attacks escalates. Big data and AI have combined to produce an array of opportunities for advanced IoT data analytics solutions. It is a part of an IoT framework used to remotely monitor and manage everything from lighting, electricity,

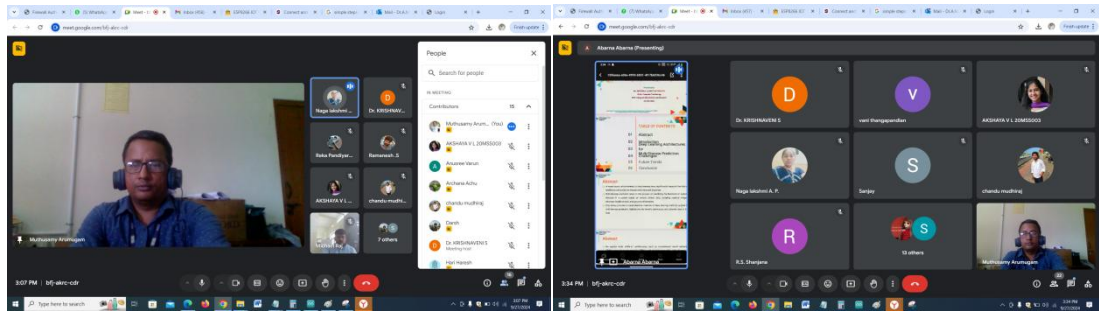

traffic signals and congestion, parking areas, road warnings, and the early detection of power influxes. Remote monitoring of farm conditions with sensors and drones, saving time and labor on routine checks. Making improved decisions regarding production with real-time insights and data analytics. CONCURRENT TECHNICAL SESSIONS - HYBRID MODE

The response of this ICCT-2024 is tremendous and received more than **70+ research papers** in national and international level were presented by authors in three technical sessions in offline mode that were held at PG Lab and UG Lab. As the conference being conducted in hybrid mode, one virtual session was arranged for the authors presented from other state and country. All accepted papers had been presented in this session.

PANEL	TECHNICAL SESSIONS	SESSION CHAIRPERSON	PRESENTATION MODE
I	Intelligent Computing	Dr. C.P. Thamil Selvi, Associate Professor, Department of Artificial Intelligence & Data Science, Rathinam Technical Campus, Coimbatore	Offline
II	Communication Technology	Dr. R. PushpaLakshmi, Professor & Head, Department of Computer Science and Engineering (Cyber Security), P.S.N.A. College of Engineering and Technology, Dindigul	Offline
III	Emerging Technologies	Dr. C.P. Thamil Selvi, Associate Professor ,Department of Artificial Intelligence & Data Science,Rathinam Technical Campus,Coimbatore	Offline
IV	Computing Communication	Dr.A. Muthusamy, Assistant Professor, Department of Computer Technology, Kongu Engineering College, Perundurai, Erode Morning Session: Time : 12.00 Noon – 1.00 PM Google Meet, click this link: https://meet.google.com/kmg-npnc-xpu Afternoon Session: Time: 3.00 pm to 4.00 pm. Google Meet, click this link: https://meet.google.com/bfj-akrc-cdr	Online

Best Paper was selected in each technical session by the session chair and being awarded to the selected authors. All selected papers will published in the form of conference proceedings as soft copy and also hard copy with ISBN Number. After peer reviewed the selected papers, it will be published in Scopus and UGC Care List series in ICT Academy Journals in Intelligent Computing related Journals. The best paper selected by the panel will be awarded at the end of the Conference. This conference provides a platform that will benefit the research community in large.

VALIDICTORY

International Conference on Intelligent Computing and Communication Technology - ICCT-2024

is now drawing to a close. Authors gave the feedback about the conference that the conference has been fruitful and through a wide range of keynote speeches provide a new ways to deal with some of the challenges in application of recent research domains in data science, IoT, artificial intelligent. The technical session chair **Dr.C.P.Thamil Selvi**, Associate Professor, Department of Artificial Intelligence & Data Science, Rathinam Technical Campus,Coimbatore gave the overall feedback and about technical session.

The **best paper** of four technical sessions was announced by ICCT'24 Convenor, **Dr.I.Rajeshwari** and being awarded by the chief guests. Certificates was distributed to all paper presenter and the participants of ICCT'24. **Prof. Ms. P. Muthamil Selvi**, Assistant

Professor, PG and Research Department of Computer Science delivered the overall concluding remarks of ICCT'24. This international conference on intelligent computing and communication technology (ICCT 2024) was successfully ended with National Anthem.
