The college was rooted only with few courses, in the beginning. Later, it was branched out and established with 13 UG Departments and 11 PG departments. Every year more than 1000 students receive their graduation degree.

The quality of teaching is enhanced with add-on, value-added, SBE and NME papers apart from the regular papers. They are motivated to score good marks in every semester and **we achieve centum percentage of pass results**, almost. The students bag a good number of **first and second ranks in most of the departments** in the semester exams conducted by the Mother Teresa Women's University, Kodaikanal.
