**COMPUTER CUM INTERNET LITERACY PROGRAMME**

**SUMMARY REPORT**

**OBJECTIVES.**

Computer literacy programme was initiated by the government of Tamil Nadu in all government arts and science colleges to enrich all undergraduate **NON-COMPUTER SCIENCE** students with computer skills and knowledge.

**PROGRAMME.**

This course was exclusively designed to upgrade the computer knowledge for all discipline's first year UG students except computer science students. For this programme, a separate well-equipped air conditioned computer lab with internet broadband connectivity has been developed. Each and every student has been provided with a separate terminal. One year Certificate course is being offered with **90 hours practical and 60 hours theory** classes. For imparting theory and practical knowledge in computer, faculties are appointed provisionally and they work on visiting basis for 6 months with 150 hours duration in each academic year. An examination is conducted by the directorate of collegiate education, Chennai at the end of the course and a valid certificate is issued. Classes are generally conducted once a week that spans during the course period (150 hours) of every academic year. Contents of the course are crafted to cater the need of rural youngsters and make them employment ready. The course includes

- MS WORD
- MS EXCEL
- MS POWER POINT
- MS ACCESS
- HTML
- C
- DTP SOFTWARE

The following visiting faculties anchored the functioning of CLP.

S.NO	ACADEMIC YEAR	NO OF MALE FACULTIES	NO OF FEMALE FACULTIES

**SWAYAM CERTIFICATE COURSE**

**SUMMARY REPORT**

### **OBJECTIVES**

The objective of this course is to take the best teaching learning resources to all, including the most disadvantaged.

### **PROGRAMME REPORT.**

SWAYAM is a programme initiated by Government of India and designed to achieve the three cardinal principles of Education Policy viz., access, equity and quality. It seeks to bridge the digital divide for students who have hitherto remained untouched by the digital revolution and have not been able to join the mainstream of the knowledge economy. Under swayam our students enrolled in NPTEL online courses. National Programme on Technology Enhanced Learning (NPTEL) a project of MHRD initiated by seven Indian Institutes of Technology to provide quality education to students interested in learning from the IITs. Our students enrolled in different courses which were 12-week online courses, typically on topics relevant to sciences and humanities with exposure to relevant technologies offered. An in-person, proctored certification exam was conducted and a certificate is provided upon successful completion. In the year 2022-2023 out of 1064 students enrolled, 286 students completed the course successfully.

### **OUTCOMES.**

Quality of education is expanded to relevant technology oriented courses for improvisation the knowledge.

**NANMUDALVAN COURSE – SUMMARY REPORT**

**ACADEMIC YEAR : 2022-2023**

**OBJECTIVES.**

The main aim of the Naan Mudhalvan Scheme is to identify, train and offer career and academic guidance to students in higher educational institutions. Through this scheme, students got trained that will help them in achieving their career goals.

**PROGRAMME**

In the academic year **2022-2023**, a six months government sponsored certificate course entitled **NAN MUDALVAN** an initiative of Tamil Nadu Skill Development Corporation (TNSDC), focusing on up skilling the youth of Tamilnadu, designed with **45** hours was taught for willing UG students. In an effort to enhance skill training of students, faculties from different colleges across Tamil Nadu have been trained in the last one year under this programme. They are appointed temporarily by Tamilnadu government in association with TN SKILL DEVELOPMENT CORPORATION and they work on visiting basis for 45 hours in 2022-2023 academic year. These faculty have been instrumental in training students for skill development. This platform aims to provide dynamic information for college students on courses and relevant information about industry specific skill offerings. This will enable students to get training in their chosen field of interest that will help in achieving their career goals.

In the year 2022-2023 a total of 2099 students enrolled and all the enrolled 2099 students completed the course successfully.

**ACADEMIC YEAR: 2022-2023**  
**RUSA COURSE - SUMMARY REPORT**

**OBJECTIVES.**

To provide training for the students in skill oriented courses for employment opportunities.

**PROGRAMME**

The need of large scale training programmes has been identified by MHRD and initiated through the State Higher Education Departments. RUSA ( Rashtriya Uchchar Shikshya Abhiyan ) a Scheme sponsored by Govt. of India to promote skill for the final year graduating students of Higher Education. The employment industry in the country is experiencing a dearth in the recruitment of skilled resources. Various courses are being imparted for students through Tamil Nadu Apex Skill Development Centre a healthcare under TNSDC. In the academic year 2022-2023 a six months certificate programme entitled RUSA focusing on EMPLOYABILITY SKILLS and PERSONALITY SKILL DEVELOPMENT, designed with 100 hours was taught for willing III UG students. The courses covered include Healthcare Management Executive, Hospital Admin Executive, Medical Coding and Medical Billing. For imparting various classes on EMPLOYABILITY SKILLS and personality skill development, 8 faculties are appointed by TN RUSA in association with TN APEX Skill Development Center for Health Care on temporary basis and they work on visiting basis for 100 hours. In the year 2022-2023 a total of 520 students enrolled and all the enrolled 520 students completed the course successfully.

**OUTCOMES.**

Students improved their employability skills and personality skill development. Students are offered placement upon successful completion of courses.

**NOTE.**

Skill development programme was initiated in the name of vocational training but training programme was given for employability course and certificate were issued accordingly without the specification of vocational courses.
