Extension Activity Programme Report
2021-2022

Vision

- To make the students effective in communication skills.
- To improve the vocabulary and spoken skill of the government school students

Mission

The mission of the Extension Activity Programme is to improve the learning, speaking, Reading and Writing Skill (LSRW) of the rural based government school students which can lead them to enhance their basic knowledge in communicative English.

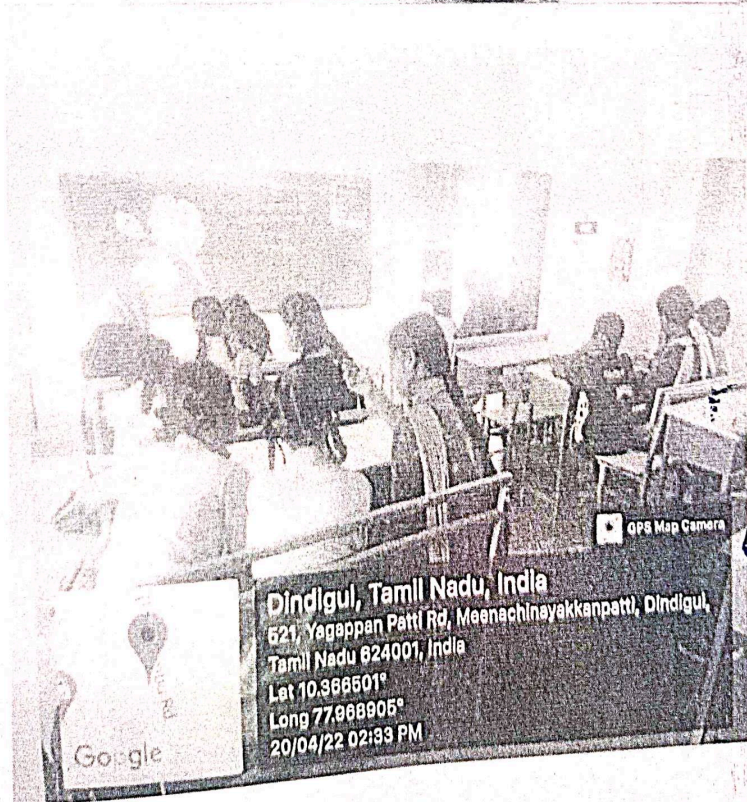

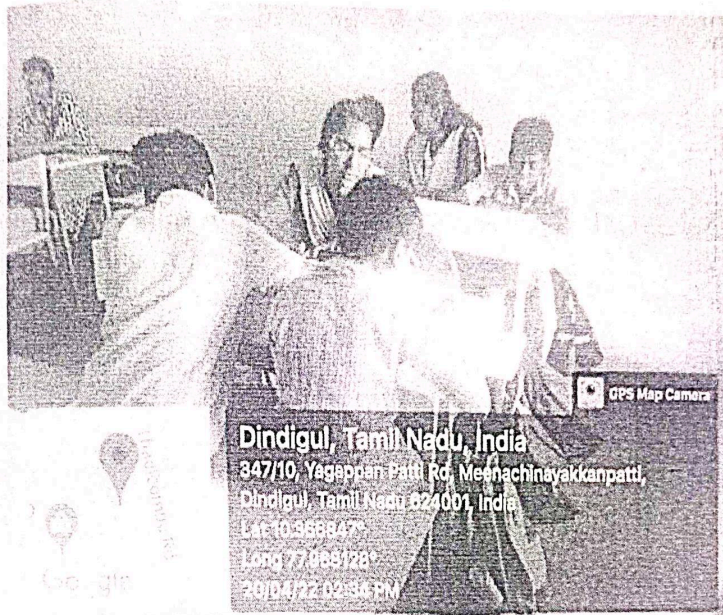

An Extension activity is a good way for students to enhance and enrich their knowledge in a particular branch of study. Extension activities focus on interaction and competition which can take the students from the explored to the unexplored areas of a specific arena.

The Department of English made an MOU with the Department of School Education to render their service to the Government School students to enhance their Communicative Skills in English. All the 9 faculty members and 80 students from III B.A. English (both Shift I and Shift II) participated in this extension activity programme. The Department of English in collaboration with the School Education Department adopted the Government Higher Secondary School, Palani Road, Dindigul for the Extension Activity Programme.

The Students from VI, VII and VIII standard were chosen to give training to improve their listening, speaking, learning and writing skills in English. In order to give acute attention to the students, one student from our department was assigned to two school students. The programme had been being conducted from 20.04.2022 to 04.05.2022. Students from our department were given liberty to choose their own topics based on the Four Communicative Skills (LSRW). Our Students selected topics such as Self Introduction, Word Games, Spoken Skill, Paragraph Reading, Improving

Reading Activity, Vocabulary Enrichment, Practicing Pronunciation, Spelling Exercises, Word Making, Word Test, Grammar, Spelling Practice, Framing Sentences, etc. The school students were evaluated periodically and their progress was reported to the Head of the Institution. The Faculty members and Students from the Department of English took the task enthusiastically and completed it with a grand success. The things that our students learnt from this activity were the rural based Government school students can learn communicative skills interestingly and can successfully practice it in their day to day life. They just had a soul soothing experience over there and had a lot of fun.

EXTENSION ACTIVITY

2019-2022

DATE:20.4.2022 to 04.05.2022

As part of Extension Activity, III year UG Students , both Shift I & II students (2019 to2022) visited Government Higher Secondary School , Palani Road, Dindigul and taught VI,VII and VIII standard students from 20.04.2002 to 04.05.2022. Our Students taught grammar and trained the students to communicate in English fluently. The students gave them exercises and practice to enrich vocabulary, hone their pronunciation and to improve their speaking and listening skills. The extensive activity, on the whole, enriched the teaching ability of our students and developed the communication skills of the school students.

PG and Research Department of Mathematics
Industrial visit on Mohan plastics
22.04.2022

We arranged to visit Mohan Plastics and Pipes Industry with III B.Sc English Medium First Shift students with three faculty members. We were guided by host who explained in details about the product labelling. We learnt various things about this manufacturing plastic and we found out that creativity to help the local products to be market overseas. This visit helped us to learn more products branding which could understand students to apply in future especially for those who are interested in business. We learnt something new and beneficial for us.

EXTENSION ACTIVITY REPORT (2021-2022)

1. DEMONSTRATION OF WHITE PHENYL PREPARATION:

The objective of this programme is to create awareness among the women community - about self-employment and entrepreneurship. In this programme, our students were demonstrating the preparation of White phenyl by using the required raw materials in correct proportions. Through this programme students motivated the women to earn more profit from less investment.

On 25.4.2022, our department organised an extension activity programme at Y.M.R. Patty, Dindigul. 24 students and 5 Staff members were actively participated in the programme. In this activity, White Phenyl preparation was demonstrated to the public.

Initially Dr.M.Dhanalakshmi, Assistant Professor and Head, Department of Chemistry cordially invited the people for the programme. She gave an introduction about our activity and the importance of self-employment. Then our students explained the functions of ingredients used for the preparation of White Phenyl and how to mix it in correct proportions to get the final product, white phenyl.

Preparation of White Phenyl:

INGREDIENTS REQUIRED FOR WHITE PHENYL

S No	Ingredients	Weight
1	Soft soap	500g
2	Oleic acid	50ml
3	Pine oil	1000ml
4	Perfume	50ml

Our students demonstrated the preparation of White Phenyl by taking a big plastic container with 100ml of water and added soft soap and oleic acid and kept it soaked for about 5 minutes. To that mixture, they slowly added pine oil with continuous stirring. Finally they added perfume to get the concentrated phenyl with pleasant smell. From the concentrated phenyl, they have taken 1 litre and diluted it with 3 liters of water taken in another container and stirred well the solution to get milky white product of phenyl.

The village people eagerly observed the activities done by our students and got ideas about small scale business. At the end of the programme we gave free samples of the products to the people and got feedback from them. This programme encouraged our students as well as the village women to become small scale entrepreneurs.

EXTENSION ACTIVITY

**Avin (or) Cow Milk Production, Practices, Marketing System of Milk and
Milk Products in Dindigul District.**

Date: 26.04.2022

Aim:

To study about milk production veterinary extension, education, training and promotion of dairying for self employment

Objectives:

1. To bring efficiency in dairy processing plants / Producer Owned and controlled dairy institutions, there by enabling optimum value of milk to milk producee farmers and supply of quality milk to consumers

To guide the objective for good dairy farming Practice is that Safe, quality milk should be produced from healthy animal

“The PG and Research Department of Mathematics” of our college organised an Exposure Visit to “Aavin Milk Production unit, Dindigul Industrial Centre, Dindigul” on April 26, 2022.

Detailed lecture on production process and demonstrations given by Mrs. Priya, Aavin Milk Production Department. She illustrated Milk Manufacturing Process also.

Cows are milked using vacuum cups which are attached to it's teats. The milk is sent through stainless steel pipes to large refrigerated vats, and stored at 5°C or less for 48 hours, milk was transferred to tankers to a milk factory where it's pasteurised and homogenised.

8 Stens of Milk Processing:

Step 1: Rearing. ...

Step 2: Harvesting. ...

Step 3: Storing. ...

Step 4: Transportation. ...

CREATE AWARENESS ON LIFE SKILL TO THE SENIOR CITIZEN

DEPARTMENT: BUSINESS ADMINISTRATION

DATE: 27/04/2022

COLLABORATING ORGANIZATION/INSTITUTION: Maria Antonia home for Aged, Vedapatti

REPORT

The Department of business administration planned for an extension activity on 27.04.2022 for the III BBA students to visit Maria Antonia home for Aged. There were nearly 40 aged people both male and female who were staying in the home. Few were very sick and emotionally weak. A group of 10 students and three staff members visited the home and undertook the following activities:

- HELP THEM TO CLEAN THEIR BED, SHELF, CLOTHES.
- SPENT TIME WITH THEM BY PLAYING SINGING AND DANCING.
- SUPPLIED BASIC MEDICINES FOR LEG PAIN, HEAD PAIN AND BODY PAIN.

Further they were oriented on various aspects like

- POSITIVITY
- DETERMINATION
- SELF CONFIDENCE
- SELF CONTROL
- MEDITATION
- YOGA

The college is committed to carving out generation who would take an active role in social activities. With this aim in view, extension services are made available to near by schools, villages and communities.

Students of II M.Sc Computer Science, visited Government Higher Secondary School, Meenachinayakkanpatti, Dindigul on 27.04.2022. The students interacted with 6th to 7th standard children. Ten of our II M.Sc students along with one faculty Dr.B. Ashadevi have participated in the activity. The main objective of this activity is to create awareness on computer education and to teach them some basics of computer science.

Our students explained the topics with the use of laptops and phones. The topics like

- What is computer?
- What is Animation?
- How to access Microsoft office?
- How to convert the images in pdf format?
- How to connect the phone with laptop and how to access the internet?
- How to download the book from the website?
- How to create account in gmail?
- How to edit images and videos using video editor app?

Our students explained them clearly and also showed them the videos. Students were successful in making them feel happy by spending time with them and showing love towards. Children also showed good response towards the topics taken.

EXTENSION ACTIVITY REPORT WITH PHOTOS

On 28.04.2022, our department organised extension activity programmes at Government High School, Meenakshinaickanpatty, Dindigul. 10 students from II M.Sc. Chemistry and 2 Staff members per day were actively participated in the programme. Our students went to the School and interacted with the students of class VI to class IX. They discussed with the school students on the topic "Chemistry in Everyday Life". The role and importance of Chemistry in our daily activities, starting from brushing our teeth in the morning till we go to bed at night was discussed with the students. Food adulteration awareness was given to the students. Easy methods of identification of food adulteration at home were also taught to them. The role of vitamins and minerals in our body functioning was taught to them. Students were given awareness about the various artificial preservatives; artificial sweeteners and coloring agents used in the food products and packed food items. The interaction was very effective.

REPORT ON EXTENTION ACTIVITY – OFFERED FREE FOOD TO UNSUPPORTED PEOPLE RESIDING IN ROAD

This is to report you that **4 students** of I M.Com were actively participated in distributing free food to unsupported people staying in road side at Dindigul on 29.4.2022. Every day lot of people suffering a lot because of hungry. “Food is national security. Food is economy. It is employment, energy, history. Food is everything. - José Andrés”. According to the above our students were tried to give food to few who are in hungry atleast one time. The Student volunteers were actively participated in providing free food to the people who were residing at road side. Really they got blessing from them and they happily shared this with us.
