Respected Madam,

Tamil Nadu Student Innovators Programme is an initiative of EDII-TN to encourage student innovators/entrepreneurs from all over Tamil Nadu. TNSI was introduced in 2017 and organized region-wise across Tamil Nadu. The student teams are provided an opportunity to give their innovative ideas as a solution to identified validated problem statements in the field of agriculture, industry, smart cities, health care, fintech, and automobile sectors. The program includes series of events like awareness and ideation programs, boot camps, and a final pitch.

Innovative ideas are selected by a panel of Jury from the Startup Ecosystem for the award of Rs. 1.00 lakh each for further development of their prototype and also to commercialize the product. They are also been introduced to angel investors who are ready to adopt and invest in their startups.

Entrepreneurship Development Innovation Institute, Chennai through MTWU HUB is organizing an Awareness on Tamil Nadu Student Innovators (TNSI) Program in select spokes colleges. Your Institution has been selected to organize the same. Kindly suggest a convenient date for organizing the program.
