

Sports Activities Report 2020-2021

Objectives:-

- ❖ The goal of this course is to develop a better understanding of why sport is vital to promoting a healthy and active lifestyle at the College and beyond.
- ❖ The goal is to ensure that students can maximize their sporting abilities by providing them with opportunities to excel at sports.

Outcomes:-

The college physical education department organizes numerous sports activities to allow students to demonstrate their talent in the field of sports. The College has both indoor and outdoor facilities for students to participate in sports and games. For this academic year in our college we have conducted College Sports Day Competitions on 18.3.2021. During our college sports day, undergraduate and postgraduate students competed in separate sports competitions and received prizes.

ACTIVITY REPORT

Date : 5.06.2020

Event Name : Online Quiz Competition on "Gland of Jammu & Kashmir from Tamil Nadu"

Date : From 02.06.2020 to 04.06.2020

Nearly 398 participants had been taken part in the Quiz session conducted and 287 Participants had successfully completed and received their E-Certificates. The Quiz contains 25 basic questions about Jammu and Kashmir.

The initiative of the process and purpose of conducting this online quiz competition is to help our students to outreach, strengthen and enrich the basic knowledge of Jammu and Kashmir

This is Exclusively for Students. E-Certificates were sent/ mailed through registered mail id for those who have secured more than 60% of marks.

No. of Participants attended : 398 Nos.

No. of Participants Secured More than 60% : 287 Nos.

Section 2 of 3

National Level E-Quiz on Chemistry

Description (optional)

1. Who discovered that water is composed of two parts hydrogen and one part oxygen by volume?

- Pierre Roblquet
- Joseph Louis Gay-Lussac
- Henri-Victor Regnault
- Georges Urbain

Tom
Principal
M.V. Muthiah Govt.
Arts College (W)
Dindigul - 1.

2. Which among the following would cause the bright red color due to bursting of crackers?

- Strontium
- Sodium
- Sulphur
- Magnesium

3. Presence of which among the following minerals in Banana makes them slightly radioactive?

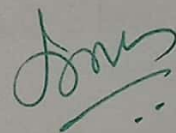

- Sodium
- Calcium
- Magnesium
- Potassium

4. Which among the following chemicals is used in Photography?

- Silver Bromide
- Potassium Chloride
- Sodium Bromide
- Magnesium Chloride

5. Which among the following is called "Fool's Gold" ?

- Copper Sulphate
- Iron Sulfide
- Brass
- Silver Bromide

Principal
M.V. Muthiah Govt.
Arts College (W)
Dindigul - 1.

6. LPG is a mixture of _____.

- Methane and butane
- Butane and propane
- Methane and propane
- Ethane and propane

7. Who coined the word 'nanotechnology'?

- Eric Drexler
- Richard Feynmann
- Sumio Tjijima
- Richard Smalley

8. sp^3d^2 hybridization is present in $[Co(NH_3)_6^{3+}]$, find its geometry

- Square planar geometry
- octahedral geometry
- tetragonal geometry
- tetrahedral geometry

9. Chlorination is a process used for water purification. The disinfecting action of chlorine is mainly due to.

- The formation of hydrochloric acid when chlorine is added to water.
- The formation of hypochlorous acid when chlorine is added to water.
- The formation of nascent oxygen when chlorine is added to water.
- The formation of hydrogen when chlorine is added to water.

10. Formic acid is produced by

- White Ants
- Cockroaches
- Red ants
- Mosquitoes

Section 3 of 3

National Level E-Quiz on Chemistry

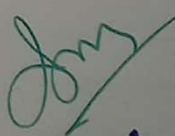

Description (optional)

11. Trans boundary Pollution or Acid rain is caused by

- Carbon dioxide
- Hydrocarbon
- Nitrogen oxide and sulphur dioxide
- Carbon monoxide

12. Stains of rust on clothes can be removed by

- Alcohol
- Petrol
- Hydrogen peroxide
- Oxalic acid

Principal
M.V. Muthiah Govt.
Arts College (W)
Dindigul - 1.

13. The National Chemical Laboratory is situated in

- New Delhi
- Bangalore
- Pune
- Patna

14. What is the molecular geometry of a Methane molecule?

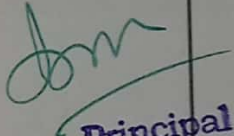

- Linear
- Square Planar
- Tetrahedral
- Trigonal bipyramidal

15. What is the chemical formula of Rust?

- $\text{Fe}_2\text{O}_3 \cdot n\text{H}_2\text{O}$
- $\text{Fe}_2\text{Cl}_3 \cdot n\text{H}_2\text{O}$
- $\text{FeCO}_2 \cdot n\text{H}_2\text{O}$
- $\text{FeO} \cdot n\text{H}_2\text{O}$

16. Which of the following is a polymer of amino acids?

- Starch
- Cellulose
- Proteins
- None of the above

Principal
M.V. Muthiah Govt.
Arts College (W)
Dindigul - 1.

17. Cobalt - 60 is commonly used in radiation therapy because it emits

- Alpha - rays
- Beta rays
- Gamma rays
- X - rays

18. What do we call the region of space around the nucleus where the probability of finding an electron is maximum?

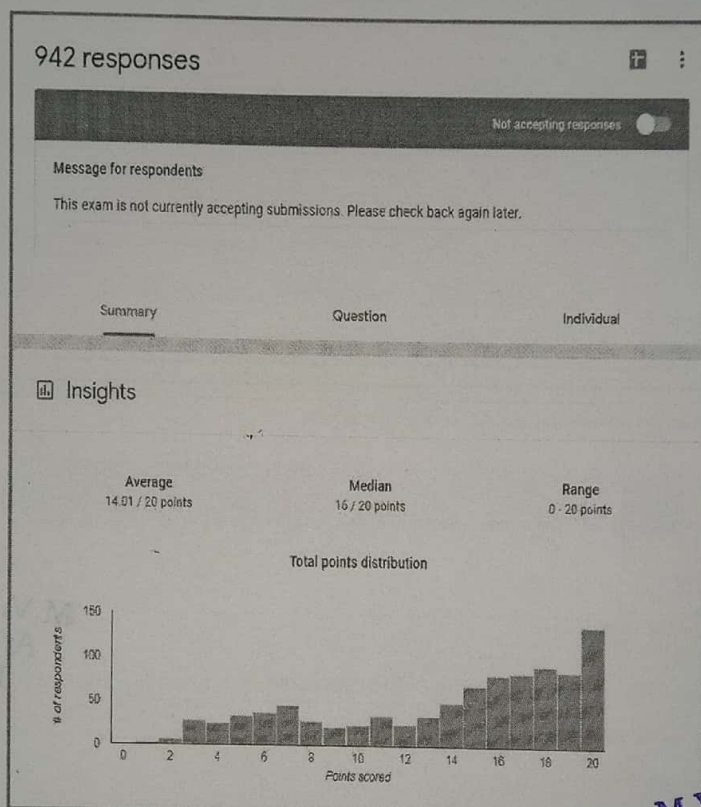

- Shell
- sub-shell
- Orbital
- electron cloud

19. Which of the following is true about a water molecule?

- It has a bent-shaped structure
- The bond angle is 120°
- It is a non-polar solvent
- All of the above

20. The mass defect for an isotope was found to be 0.410 amu/atom. Calculate the binding energy in kJ/mol of atoms. ($1 \text{ J} = 1 \text{ kgm}^2/\text{s}^2$)

- $3.69 \times 10^{10} \text{ kJ/mol}$
- $1.23 \times 10^{20} \text{ kJ/mol}$
- $3.69 \times 10^{13} \text{ kJ/mol}$
- $1.23 \times 10^3 \text{ kJ/mol}$

Food safety day quiz report

OBJECTIVES

The goal of this event is to create an awareness about food safety and security among students and faculty serving in our home and other Institutions.

OUTCOMES

Food safety is an important criteria related with agriculture, marketing, health, sustainability and economy of our nation. PG Department of Zoology, M.V.Muthiah Government Arts College For Women, Dindigul organized an online awareness pictorial quiz program in commemoration of world food safety day on 07.06.2020.

The commemoration of world food safety day on June 7 reinforce the significance of food safety and security to all living organisms. A secured food prevents food borne allergens and other risk factors. A total of 503 students recorded their earnest participation from 7.6.2020 to 9.6.2020. E certificates were sent to eligible participants who scored 50 % and above.

“Pictorial E-Quiz to create awareness on World Day to
Combat Desertification and Drought” from 15.6.2020 to
17.6.2020 through online mode.**

This Pictorial E-Quiz contains 20 Multiple Choice Based questions on Environmental science. This Pictorial Quiz was designed by the Convener, Dr.M.Dhanalakshmi, Assistant Professor and Head, Department of Chemistry with the blessings of the Patron, Dr.C.Ladha Pooranam, Principal, M.V.Muthiah Government Arts College for Women, Dindigul. This quiz was created for students, scholars and faculties of all departments.

The objective of conducting this Pictorial E-quiz competition is to create awareness on "World Day to Combat Desertification and Drought" among the students, scholars and faculties of all the departments during this Corona pandemic situation. It also aims to educate individuals about community participation and cooperation at all levels, and to strengthen implementation of the United Nations Convention to Combat Desertification.

This "Desertification and Drought day" is observed on June 17th of every year to make the people aware about the problems of desertification, land degradation and drought, and how they can tackle it. This day is a unique moment to remind everyone that land degradation neutrality is

SCIENCE DAY COMPETITIONS - REPORT

OBJECTIVES.

National Science Day (NSD) is celebrated annually on 28th February to commemorate the discovery of the **Raman Effect** by Nobel laureate and Physicist **CV Raman** on this day in 1928.

The day aims to propagate the **message of the importance of science and its application** among the people.

OUTCOMES

The purpose of celebrating this day is to **enhance scientific temper, popularisation of science and encourage innovative activities by infusing scientific temperament** in the masses and to create a positive scientific research culture. PG Department of Zoology, M.V.Muthiah Government Arts College For Women, Dindigul organized various competitions like **QUIZ, SPEECH and INNOVATIVE IDEAS** in commemoration of **SCIENCE DAY** on 28.02.2021. this highlights the significant role of science in society and the need to engage the wider public in debates on emerging scientific issues. It also underlines the importance and relevance

முனைவர்
எம்.வி. முத்தையா அரசினர்
மகளிர் கலைக்கல்லூரி,
திண்டுக்கல்-1.

of science in our daily lives. By linking science more closely with society, it creates Peace and Development to ensure that citizens are kept informed of developments in science. It also underscores the role scientists play in broadening our understanding of the remarkable, fragile planet we call home and in making our societies more sustainable. certificates were issued to all participants and prize winners.

(AFFILIATED TO MOTHER TERESA WOMEN'S UNIVERSITY, KODAIKANAL)
DINDIGUL – 624 001, TAMIL NADU, INDIA
PONGAL CELEBRATION – JANUARY 2021

OBJECTIVES.

A festival to thank Sun God for all his kindness and mercy for agriculture to flourish and to satisfy the hunger of living organisms.

PROGRAMME

Pongal / Makara Sankranti is a traditional festival in reference to the deity Surya (Sun). The festival is celebrated across the country, with a distinct regional essence even though the forms are different but the purpose remains the same, marking the onset of the spring season. Pongal is the harvest festival of Tamil Nadu, celebrated on 12th January 2021 in our college campus. The students dressed in colourful ethnic wear, they performed many enthralling songs and dances. As part of the celebration, 'Chakara Pongal' was prepared in clay pots and distributed to the Students, Teachers and Support Staff. The entire campus wore a festive look with colourful Rangoli, decorated Pongal pots, sugarcanes and other decorations enhancing the festival spirit. Various cultural programs, that included songs, dances depicted the significance of the Harvest Festival. The celebration began with a Prayer, followed by a message, which reminded the students about the importance of the harvest festival. Sweet Pongal was prepared and distributed with sugarcanes to all students. Everybody left home with sweet memories about pongal festival.

OUTCOMES: Students organize pongal programme in team and honour the Surya god, farmers community and animal husbandry.

PONGAL CELEBRATION – JANUARY 2021

OBJECTIVES.

A festival to thank Sun God for all his kindness and mercy for agriculture to flourish and to satisfy the hunger of living organisms.

PROGRAMME

Pongal Day celebration was held on 11th January 2021 at MVM Govt College. The function was presided over by Principal Dr.ANURADHA and Heads of all the departments coordinated the proceedings. Students came in their traditional dresses and exhibited joy and pride as they filled the campus with the land's cultural aura. Students of all the departments exhibited their skills and talents in Dancing, Rangoli, and folk dances. An oratorical debate entitled " Whether relationship between student and teacher is good in present period or in past period was organised to mark the event. Dr.Angelin English Dept HOD chaired as judge for the debate. The following faculties Dr.K.Amutha BBA HOD, Mrs.J.Sukanya, Mrs. Rajalakshmi ,Dr.SenthilKumar and student Pavatharani cum Deepika delivered electrified speech on past and present situation about TEACHER - STUDENT RELATIONSHIP. Later on a poetry presentation was also held on the topic about PANJAPOOTHANGAL. Dr.Eswari, Dr.SuryaPrabha, Dr.Rajam, Dr.Meenalochini , Dr.Vidhya narrated their poem on basic abiotic factors (PANJAPOOTHANGAL) in ecosystem. Due to corona period and pandemic restriction Pongal was prepared by tamil department students under the guidance of faculty members. Pongal was distributed to all faculty members and students of tamil department. The pongal celebration, pattimandram and poem presentation was a real treat and amusement to faculty and students.

REPORT SUBMISSION FORMAT – E QUIZ COMPETITION

Documents should be submitted in the following order *2020 - 2021*

1. Title of the Programme:

E -Quiz Oceanography

2. Aim:

An online quiz is an excellent way to evaluate a student's knowledge. It is very effective in the online learning process, as teachers can understand how much a student has understood the concept. With the help of online quizzes, teachers can know the knowledge gap and teach accordingly. It can also work as a revision process, as students can know how much they have learned, and then they can improve their scores by learning more. As the name suggests online quiz is a quiz taken online, through the internet. There are many benefits of Online quizzes like it saves a lot of time for both students and teachers, students can know their understanding for the concept, teachers can know how much students have understood the concept, there can be no cheating in an online quiz as there is a time limit, and many more. It motivates students to concentrate more on their studies and improve their scores in the online quizzes. It also improves students' participation in-class activities like discussions. Tests and exams can be very pressurizing for students, they take tension and there is not good as it could be. online quizzes are fun and interesting, it also increases the interest in the subject.

3. Objectives (out comes):

The objective of every education institution quizzing competition is to encourage students to look beyond their textual knowledge and establish a relationship between theory and application of the learnt concepts. The quizzes help the student to learn with practice, as they allow the students to think back to the information previously learned and remember them while quizzing. ... With practicing quizzes, students can do critical thinking, and get into a habit of innovative learning. The Objective behind to organize Quiz competition is to evaluate the knowledge of the participants within academics as well as beyond academics and to make them familiar with the prospects of quizzes and the objectivity of the questions.

16. Report in 100 words:

During this pandemic, the school learning is done online. Teaching through online learning is challenging for some teachers. Teachers have to prepare a variety of methods and techniques to teach a subject that is effective during e-learning. The use of slideshow, videos, pictures, games, and online generator to create quizzes are things that teachers can use to support the teaching. Giving online quizzes is one of the techniques that teachers can use in class. This activity helps the teachers and the students as well, to know what and how much they have understood about a subject. This technique is important to be given at the beginning or end of the class. However, teachers must be mindful to choose the appropriate types of quizzes for the students. They have to consider that the quizzes are not only to know the students' comprehension toward the topic but also to make them enjoy completing the quizzes. During e-learning, teachers can try to use websites that provide ideas and templates which can help them create quizzes.

17. Report in online event

An one day National level online Quiz Competition was organized by M.V.Muthiah Government Arts College for Women, Dindigul. PG and Research Department of Geography and the Internal Quality Assurance Cell. The online Quiz had no registration fee. The topic of e-Quiz "Oceanography" on 29.06.2020 to 03.07.2020 to through online mode using google meet Live stream. Four hundred and thirteen students (413) participated in the quiz Competition. there are several benefits of giving online quizzes for students. Students are being actively engaged in subject material. When students cannot answer certain questions in a quiz, they will go back to reread certain parts of the chapter. Teachers can also review questions with most incorrect answers with the students. Quizzes can

M.V. Muthiah
Principal
M.V. Muthiah Govt. Arts College for Women
Dindigul - 624 001.

increase students' motivation. Students would like to get higher scores during the quizzes. To make it happen, the students will pay attention to the teachers' explanation and may even review before the quiz. Quizzes can help students to recall information and get better grades. When the quiz is set as an assignment, students can play the quiz over again by themselves. By repeating, the information will be stuck in their mind. We appreciate our participant's patience and look forward to their continued interest in our future events also. The Quiz covered questions related to the Environment. The Quiz covered questions related to the awareness of environment. There are Twenty-Five questions in the Quiz. All the students who participated in the online quiz competition would be issued E-certificates on their e-mail. In conclusion, interactive online quizzes not only help teachers with teaching techniques during e-learning but also have a beneficial impact on students. Increasing students' involvement, motivation, better score and stress reduction are several benefits that students get through online quizzes.
